

Job Title: Audio Lead (A1)

Terms: Seasonal Contract

Salary: \$3,000 - \$2,500

Requirements: 28-32 Work Days

Benefits: Travel, Meals, Housing

About the Role

The A1 is an integral role for the Seattle Cascades. As the drum corps activity evolves, the consistent presentation of a balanced and blended ensemble mix is one of the core markers of success. The Cascades are seeking highly qualified and motivated audio professionals to elevate the audio presentation of our 2025 corps.

Responsibilities

- Coordinate with Sound Designer on creative direction of the program
- Coordinate and collaborate with Caption leads on mixing needs and rehearsal projects
- Coordinate and collaborate with Audio Technician on shared goals for rehearsals
- Remotely adjust MainStage settings and sample/patch levels
- Remotely oversee and adjust mixer settings and master output levels in performances
- Communicate mixer adjustments to Audio Technician
- Obtain and manage backups of MainStage files and mixer settings

Candidate Requirements

- Strong communication skills and collaborative approach to audio
- Flexible and adaptive to programmatic and environmental changes
- Self-initiates goals and is able to coach and lead both staff and membership
- Communicates caption needs and status updates to Tour Director / Corps Director(s)
- Deeply experienced with Yamaha digital consoles (QL/CL/TF)
- Deeply experienced with MainStage programming
- Must own and use a personal/business laptop computer for all corps responsibilities (Mac preferred)
- 21 years or older
